

PRINT RELEASE

CLIENT has purchased digital images from a photography session with Christy Nicole Photography. Client is granted permission by Christy Nicole Photography to reproduce and display the images in digital or print form, for personal use only. The images should be printed and displayed (digital or print) as-is, without any alteration/editing (aside from cropping) unless expressive permission is given by Christy Nicole Photography. Should you choose to publish the images online, proper recognition is appreciated.

Christy Nicole Photography retains full copyright to all digital images and derivative works thereof. Client may not use the images in a way that results in financial gain, including but not limited to: advertising, print sale profits, stock photography, or resale of any nature. The client agrees that he/she may not use any of these images for commercial or editorial purposes, or enter any of these images into competition without the express written permission of Christy Nicole Photography.

The purchase of the original files releases Christy Nicole Photography from any obligation to maintain copies of any digital file, image, or photograph. The client is responsible for creating back-ups of the digital content.

The client hereby grants Christy Nicole Photography the right to use and publish images to promote its service, including portfolio, web site, display, advertisement, and editorial use.

Christy Nicole Photography will not be liable for print quality, cropping, or color defects of any images that are printed at a lab other than the lab used when products are ordered through Christy Nicole Photography. Image quality, color, and clarity will be the best when a professional photo-printing lab is used. Retail photo labs (Wal-mart, CVS, etc) are not recommended.
