

PRINT RELEASE

CLIENT has purchased digital images from a photography session with Christy Nicole Photography. Client is granted permission by Christy Nicole Photography to reproduce and display the images in digital or print form, for personal and/or commercial use. The images should be printed and displayed (digital or print) as-is, without any alteration/editing (aside from cropping) unless expressive permission is given by Christy Nicole Photography. Should you choose to publish the images in any format, proper recognition is appreciated. {Christy Nicole Photography / www.christynicoleok.com}

Christy Nicole Photography retains full copyright to all digital images and derivative works thereof. Christy Nicole Photography has unlimited worldwide rights to the images, including full and exclusive commercial and reproduction rights including the rights to use and publish images to promote its business, including portfolio, website, display, advertisement and/or editorial use.

Christy Nicole Photography grants client usage rights for the purchased digital images. This includes posting of images on client's website, advertising/business print materials, and any other format promoting client's business. Client may not sell the images in either digital or print form.

The purchase of the original files releases Christy Nicole Photography from any obligation to maintain copies of any digital file, image, or photograph. The client is responsible for creating back-ups of the digital content. Client digital gallery will remain active for a minimum of 30 days. After that time, a re-issue fee may be incurred if gallery needs to be re-uploaded.

Christy Nicole Photography will not be liable for print quality, cropping, or color defects of any images that are printed at a lab other than the lab used when products are ordered through Christy Nicole Photography. Image quality, color, and clarity will be the best when a professional photo-printing lab is used. Retail photo labs (Wal-mart, CVS, etc) are not recommended.
